FUNCTION OF THE LEGISLATIVE COUNCIL **RULES CLEARINGHOUSE**

REVIEW OF RULES

Legislative review of proposed administrative rules begins with the submission of a rule to the Legislative Council Rules Clearinghouse. Section 227.15, Stats., requires that, prior to any public hearing on a proposed rule or prior to notification of the presiding officer of each house of the Legislature if no hearing is held, an agency must submit the proposed rule to the Legislative Council Rules Clearinghouse for staff review. (See the *Administrative Rules Procedures Manual* (October 2002), prepared by the Legislative Council and the Revisor of Statutes Bureau, for more information on drafting, promulgating and reviewing administrative rules.)

The Legislative Council is provided 20 working days, following receipt of a proposed rule, to prepare a report on its review of the rule. However, with the consent of the Director of the Legislative Council, the review period may be extended for an additional 20 working days.

Upon receipt of a proposed administrative rule, a Clearinghouse rule number is assigned and submission of the rule is recorded in the *Bulletin of Proceedings* of the Wisconsin Legislature. Two numbered rule jackets, one for the Assembly and one for the Senate, are prepared.

The Director of the Rules Clearinghouse assigns the rule to a Legislative Council staff member for review and preparation of the statutorily required report. The staff member generally prepares the report within 10 working days and transmits the report to the Director or Assistant Director for final review. When the report on the proposed rule is completed, the staff returns the rule jackets and the Clearinghouse report containing the results of the review to the agency. [See *Appendix I* for a sample Clearinghouse report.]

In accordance with s. 227.15, Stats., the Clearinghouse report:

1. Reviews the statutory authority under which the agency intends to adopt the rule.
2. Reviews the proposed rule for form, style and placement in the Wisconsin Administrative Code.
3. Reviews the proposed rule to avoid conflict with, or duplication of, existing rules.
4. Reviews the proposed rule to ensure that it provides adequate references to related statutes, rules and forms.
5. Reviews the language of the proposed rule for clarity, grammar and punctuation and to ensure the use of plain language.

6. Reviews the proposed rule to determine potential conflicts and to make comparisons with related federal regulations.

7. Reviews the proposed rule to determine whether the agency has specified the number of business days within which the agency will review and make a determination on an application for a business permit.

As part of this review process, staff of the Legislative Council is directed to ensure that procedures for the promulgation of the rule are followed, as required by ch. 227, Stats., and to streamline and simplify the rule-making process.

OTHER RELATED RESPONSIBILITIES

Other primary rule review responsibilities of the Legislative Council include:

1. Working with and assisting the appropriate legislative committees throughout the rule-making process.

2. Notifying the Joint Committee for Review of Administrative Rules (JCRAR) and appropriate committees of the Legislature whenever the rule-making authority of an agency is eliminated or significantly changed by the repeal, amendment or creation of a statute, by the interpretive decision of a court of competent jurisdiction or for any other reason.

3. Assisting the public in resolving problems related to administrative rules. This function includes providing information, identifying agency personnel who may be contacted in relation to rule-making functions, describing locations where copies of rules, proposed rules and forms are available and encouraging and assisting participation in the rule-making process.

The final responsibility of the Legislative Council is the submission of an annual report to the chief clerk of each house of the Legislature and to the Governor summarizing any action taken by the staff and making recommendations to streamline the rule-making process and eliminate obsolete, duplicative and conflicting rules. This report is the 23rd *Annual Report* submitted by the Legislative Council and covers the staff's activities during calendar year 2002. It has been preceded by an initial report to the 1979 Legislature, which covered the staff's activities from November 2, 1979 to April 1, 1980 (i.e., from the effective date of Ch. 34, Laws of 1979, which initiated the omnibus rule review process, to the end of Floorperiod IV of the 1979 Session) and annual reports for calendar years 1980 to 2001.

RECORDKEEPING SYSTEM

The Legislature's *Bulletin of Proceedings* is used for recording actions relating to the review of administrative rules. The Legislative Council, the Senate and Assembly Chief Clerks and the Legislative Reference Bureau cooperate in a computerized recordkeeping system. Commencing with the 1979 Session, action on administrative rules has been shown in a separate part of the *Bulletin of Proceedings*.

Under this system, each proposed rule is assigned a number and entered in the computer by the staff of the Legislative Council. A copy of the Clearinghouse report is placed in a Senate and Assembly rule jacket (similar to bill jackets) and the rule is then transmitted to the agency promulgating the rule for its review. After transmittal, all legislative actions taken on the rule are entered on the face of the jacket and are reported to the chief clerk of each house. The chief clerk enters the actions in the computerized system, thereby compiling a history of all legislative actions taken on a rule.

At the beginning of each biennial session, the administrative rule portion of the *Bulletin of Proceedings* is updated by deletion of all records relating to rules which, in the preceding session, have become effective, have been withdrawn or have been permanently objected to by law. Also removed from the *Bulletin of Proceedings* annually and withdrawn from the rule-making process is any proposed rule that, in accordance with s. 227.14 (6) (c), Stats., has been pending for at least four years, but no more than five years, after the date of its receipt by the Legislative Council under s. 227.15 (1), Stats. The final *Bulletin of Proceedings* printed for the preceding session then serves as the permanent record of the disposition of those rules. The remaining rules, which are still in the promulgation process, are carried over into the new *Bulletin of Proceedings* for the following biennial session.

Access to rules and agency reports over the Internet became available in 2001 for all rules initiated after 2000. These materials may be found at the Legislature's website, www.legis.state.wi.us, by using the Services Agencies and Joint Legislative Council and Staff icons.

2002 ACTIVITIES OF THE RULES CLEARINGHOUSE

During 2002, 155 proposed administrative rules were submitted to the Legislative Council by 25 state agencies.

As of December 31, 2002, Clearinghouse reports had been completed on 142 of the 155 proposed rules and 12 rules were in the process of review. One rule did not require a separate report because the rule was included in a previously submitted rule that was the subject of a report. In addition to the 142 rule reports completed on 2002 rules, reports were prepared in 2002 on 18 rules received in late 2001. Of the 160 reports completed in 2002, no rule required an extension of the review process by the Director of the Legislative Council. Clearinghouse activities in 2002 are summarized below:

Rules Received in 2002		155
Withdrawn	0	
No report required	1	
Pending	12	
		-13
2002 Reports Completed		142
2001 Reports Completed in January 2002		+18
Total Reports in 2002		160

The table below shows that, from November 2, 1979 (the beginning of the omnibus rule review process) through December 31, 2002, the Clearinghouse has received 5,000 rule submissions and completed reviews on 4,903 proposed rules. Of the total rule submissions, 85 were exempt from the reporting process for various reasons and 12 were under review at the end of 2002.

Although the statistics presented in this report give some indication of the workload of the Legislative Council staff in reviewing proposed administrative rules, it should be noted that rules vary in length. Similarly, Clearinghouse reports vary from completion of a simple checklist to large reports. In summary, for all rule reports completed in 2002, the Legislative Council staff commented on:

1. The *statutory authority* of a proposed administrative rule on 21 occasions.
2. The *form, style and placement* of proposed administrative rules in the Wisconsin Administrative Code on 68 occasions.

3. A *conflict* with, or *duplication* of, existing rules on six occasions.
4. The *adequacy of references* of proposed administrative rules to related statutes, rules and forms on 35 occasions.
5. *Clarity, grammar, punctuation and use of plain language* in proposed administrative rules on 56 occasions.
6. The *potential conflicts* of proposed administrative rules with, and their comparability to, related federal regulations on no occasions. In addition, the Legislative Council staff has adopted a policy of noting when proposed rules are based on federal “*guidelines*,” which do not have the force of law, as opposed to rules based on federal “*regulations*,” which do have the force of law and with which the state may have a legal obligation to comply.
7. The *permit action deadline requirement* on one occasion.

WORKING WITH AND ASSISTING COMMITTEES

A Legislative Council staff attorney or analyst works with each standing committee, except Joint Finance. When a committee has a proposed rule referred to it by the presiding officer of the house, the staff member will participate in the committee’s oversight.

During 2001, legislative committees held hearings or requested meetings on **47 proposed rules**. Modifications to rules were either requested or received in the legislative review of **35 proposed rules**. **Two rules** were objected to by committees.

As a result of committee activities, **two rule objections** were subject to JCRAR jurisdiction in 2002. Jurisdiction over an additional rule was continued by JCRAR into 2002 from 2001. The JCRAR nonconcurred in part and objected in part to one rule. The remaining two rules were withdrawn by the agencies involved.

The table below reviews legislative committee activity in the review of proposed administrative rules beginning on November 2, 1979 and ending on December 31, 2002.

* The general system of legislative review of proposed administrative rules, primarily embodied in ss. 227.15 and 227.19, Stats., took effect on November 2, 1979, as part of Ch. 34, Laws of 1979.

ELECTRONIC ACCESS

In 2001, the Legislature, through its service agencies, began providing electronic access to all proposed administrative rules submitted to the Clearinghouse. The system mirrors the process already in place for legislative proposals. That is, interested persons are able to use the Internet to search for proposed rules directly or to link to them from the Legislature's Bulletin of Proceedings. The site holds the initial version of the proposed rule, the Clearinghouse report on

the proposed rule, all modified versions of the proposed rule submitted to the Legislature, and the related agency report to the Legislature. Electronic access is available for proposed rules submitted to the Clearinghouse after the year 2000.

NOTICE OF CHANGE IN RULE-MAKING AUTHORITY

To date, no court decisions or changes in legislation have been brought to the attention of the Legislative Council staff that would require notification of JCRAR or appropriate standing committees of a change in, or the elimination of, agency rule-making authority.

ASSISTING ADMINISTRATIVE AGENCIES

The Legislative Council staff has responded to numerous questions from agency personnel, relating to both the process and the law governing legislative review of proposed rules.

REVISION OF STATUTES DEALING WITH ADMINISTRATIVE RULE-MAKING

Prior to 2002, the Legislature would not receive an agency rule report on or after November 1 of an even-numbered year. Such a report would be received on the first day of the next regular session of the Legislature. 2001 Wisconsin Act 87, which took effect on May 3, 2002, amended the cutoff date to September 1 of an even-numbered year.

PUBLIC LIAISON

To date, the Legislative Council staff has received minimal requests from the public. These infrequent questions have either concerned aspects of the rule review procedure or have related to the status of specific rules.

CLEARINGHOUSE RULE 02-149

Comments

[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated October 2002.]

1. Statutory Authority

Section Accy 3.03 (1) provides that the passing grade on each section of the certified public accountant examination will be established by the Accounting Examining Board. Setting a passing grade clearly is a standard of general application and, therefore, the passing grade should be set forth in a properly promulgated rule. If the board is confident that it can remove a numerical passing grade from the administrative code, then it should set forth standards to be followed by the board in determining the passing grade on each section of the examination. In addition, the rule should specify how the public will be informed of the current passing grade which has been set for each section of the examination period.

2. Form, Style and Placement in Administrative Code

- a. It appears that in the first paragraph of the analysis, “business” should be capitalized.
- b. In s. Accy 3.03 (1), the word “established” is new language and should be underscored.
- c. In s. Accy 3.06 (2), the phrase “shall not be allowed to” should be replaced by the phrase “may not.”
- d. In s. Accy 3.07, the first sentence does not grammatically lead into the following subunits. Consequently, the first sentence should be renumbered as sub. (1) and the remaining subsections should be renumbered accordingly. The same comment applies to the first sentence

in sub. (5) and to the following subunits. Also, the newly renumbered sub. (1) should be rewritten to read: “In this section ‘transition period’ means the period of time”

5. Clarity, Grammar, Punctuation and Use of Plain Language

a. The analysis to the rule should explain why the rule amends the passing grade on each section of the examination from 75 or higher to “a passing grade established by the board.”

b. The analysis should explain why the rule repeals the right of applicants to request a review of their examination papers from the American Institute of Certified Public Accountants advisory grading service.

c. In s. Accy 3.06 (2), it is unclear what is meant by the statement that a candidate shall retain credit “without having to attain a minimum score on failed sections.” In addition, the rule should clarify what time period is referred to by “the same three-month examination window.”

d. In s. Accy 3.07 (intro.), it should be clarified that the rule section relates to the period of time or number of opportunities a candidate who has completed some sections of the paper-and-pencil examination has to complete the remaining sections of the computer-based examination. In addition, it is unclear how long the “transition period” is. Is a candidate’s transition period the 18 months beginning with the first month that the computer-based examination is offered? If so, what is the meaning of sub. (5), which states that the previously-conditioned candidate shall not lose credit for a section of the computer-based examination that is passed during the transition period, even though more than 18 months have elapsed from the date the section is passed?

e. In s. Accy 3.07 (1) and (5), what is meant by “conditional status” and “previously conditioned”? Definitions of these terms would be appropriate and useful.

f. Does s. Accy 3.07 (2) apply if a candidate has completed only one part of the paper-and-pencil examination?

g. In s. Accy 3.07 (4), it is unclear what is meant by the statement that any section passed during the transition period is subject to the “granting of credit provisions” of the computer-based examination.

h. In s. Accy 3.07 (5) (a) to (d), the phrase “of the computer-based examination” should be added to the end of each of those paragraphs.

i. The effective date clause should conclude with the phrase “, whichever is later.”
